The Peerless Bread Mach. Co.,
Sidney, Ohio.

Dear Sirs: The following is my report of the work I done at the bakery of J. F. Loner, Riverton, Ill. on a No. 2. Peerless high-speed dough mixer No. 12429.

The man complained that the oil was leaking out around his the hood on his mixer. I found that the paint was cracked where the hood sets on the column. I raised the hood up and cleaned all the old putty and grease out
